

October 2015

Dear Parent / Guardian

**Chartered Management Institute (CMI) : Level 3 Certificate in First Line Management**

As mentioned at the year 11 parents' information evening in September, we are very pleased to have secured the services of Study Flex to provide the opportunity for our year 11 students to obtain the above qualification in the summer term.

This is a rare opportunity for students to obtain a management qualification, recognised in industry, whilst they are still at school.

Rachel Lambert, the director of Study Flex, will be visiting our school on 17 November. We would like to invite you to meet her in the evening, at 6.30 pm, to find out first-hand what this qualification involves and how it can benefit your son/daughter. You will also be able to meet the students who completed the qualification last summer and hear from them how much they enjoyed the course and what they learned from it.

We hope you and your son/daughter can join us. We will be meeting in the Leslie Rose Auditorium.

Yours sincerely

*J Marshall*

Mrs Julia Marshall  
School Evaluation and Pupil Premium Coordinator
