

The Nobel Sixth Form

External Student Application Form

Nobel

Dear Student

Sixth Form Application - September 2020

We are delighted that you are interested in joining our sixth form.

As well as deciding where to study after Year 11 it is important that you choose the right programme of study for you. At The Nobel Sixth Form, we will work closely with you and your parents to make sure you choose subjects that you will enjoy studying and in which you will be successful.

An application form is attached, together with information on the range of courses on offer from September 2020. You will also find details of our student pathways and the entry criteria for each one. More detailed course descriptions can be found on the school website. When you complete the application form it is important to think carefully about the subjects you wish to study and the reasons why. We can then discuss this with you when we meet you for a transition meeting.

Once we have received your application, we will contact you to arrange a meeting to discuss your application in more detail.

If you require any further information, or would like to arrange a tour of the school, please do not hesitate to contact us directly either by phone (01438 222600 Ext 210) or email to sixthform@nobel.herts.sch.uk.

We look forward to welcoming you into our sixth form in September 2020.

Yours sincerely

Mr Matt MacGuire
Assistant Headteacher, KS5

Timetable for External Applications

Tuesday 22 October 2019	External applications open – please note that last year we had a large number of applications and we advise that you adhere to the closing date given below.
Monday 24 February 2020	Closing date for external applications.
