Dear Parents/Guardians

As part of the GCSE revision programme Herts For Learning are offering targeted revision sessions in St Albans on Saturdays and during the Easter holidays; these sessions are taught by subject specialists and come highly recommended.

The English Literature exams require a high level of content knowledge across a range of texts so any additional revision your child can do in the lead up to their two Literature exams would be highly beneficial. These revision workshops will boost your child's confidence in their preparation for their exams; provide exam strategies and guidance whilst completing a range of revision activities where they will be provided with immediate targets for improvement from subject specialists.

As the workshops are running out of school hours, you and your child will need to arrange transport to and from the venues in St Albans.

If the courses sound like an opportunity you would like your child to be involved in, please complete the permission slip below and return to the front office as soon as possible. Places are limited so returning of the permission slip does not guarantee a place on a course.

Yours sincerely,

Miss Lisa Steele  
English Department
