

# Summer holiday investigation

Tasks must be completed and brought to your first lesson.

## **Students completing the BTEC subsidiary diploma and the BTEC Diploma (double)**

1. Read the scenario about and identify elements of good communication and bad communication skills.
2. Analyse how the health practitioner could improve their communication skills to make them more effective in their job.

## **Students completing the BTEC Diploma (Double)**

1. Complete the case study about Mrs Singh
2. Investigate Piaget's stages of cognitive development and produce a table that describes each stage of development **without** copying and pasting from the internet. What stage are you at and how do you know?
