Dear Parent/guardian

The Performing Arts faculty at Nobel School are proud to announce that on Tuesday 18 June, we are holding our first ever Nobel Festival. The festival will showcase work from across the faculty giving the students the opportunity to show you their excellent performance skills in Dance, Drama and Music. In addition to this, the event will display some of the fantastic pieces of work that have been completed in Art for students GCSEs and A Level pieces. There are two performances on this date, one at 3:30pm and the other at 7:00pm, with both performances lasting for approximately two hours.

We are also giving the students the opportunity to perform anything that they are working on outside of the classroom, be that dances or performing an instrument or singing a song. This can be a solo piece or part of a group. If your son or daughter is performing, please ask them to speak with either Mr Gimson, Mr Hardy or Mrs Llewellyn to tell us the name of the piece and any requirements, such as backing tracks and accompaniments, they may need to perform it.

We want as many people performing as possible and if it is the case that your son or daughter can only perform at one of the two performances, we would still like them to be involved. We are also looking for a number of students to help out with the organisation on the day itself. There will be a sign up sheet for this outside the office for students to put their names down for.

In both the dance and music departments, our extra curricular clubs ensembles will be performing, so if your son or daughter is involved with one of these, please return the reply slip.

There is no charge for tickets so if your son or daughter is performing, please bring as many people as possible!

We look forward to seeing you there,

The Performing Arts Faculty
