Edition 4.13

From the Headteacher

Dear parents and carers,

Our wonderful Year 11 and Year 13 students are working hard towards their examinations, these will start in a couple of weeks and their teachers are cautiously optimistic about this summer's results. We know that, on the whole, students have taken every opportunity to hone in on areas of weakness identified by the mock examinations, but whatever happens over the next few weeks, I must pay tribute to the hard work, dedication and care displayed by the staff; true Nobelians, each and every one of them!

In some ways it is a sad time of the year. Students who have been at the school for five or seven years are preparing to move on. Around 70% of our Year 13s will be going up to university in September; the other 30% will be following a variety of career-based pathways, including apprenticeships and employment. We pride ourselves on the fact that all our students have a plan, but the fact is that they are leaving and we miss them all. I should like to pay particular tribute to our wonderful Senior Student Team and then to take this opportunity to introduce the new team.

First of all, thank you to James Marshall and Emma Bull who have been fantastic student leaders. Both of them have been tremendous ambassadors for the school – we were all really moved by the warmth they showed at our Open Evening and the lovely speeches that each of them made. James and Emma were ably supported by deputies, Alfie O'Brien and Jayme Younger. The other members of the Senior Student Team were:

Community and events

Rita Mukwahuri; Jaden Navjee and Georgia Nicholls

Celebrations

Amy Barrett; Elisabeth Gross; Martha Nyakumba and Phazilah Rehman

Project management

Juliette Georges and Alex Terrett

And finally competitions manager, Luke Taylor. You have all been tireless workers and fantastic role models – fine Nobelians!

Although they have a very difficult act to follow I'm very confident that our new team will build on this success.

The seven young people that we interviewed last week for the positions of Head Boy and Head Girl were all tremendous - lovely students, all of them.

Well done to Euan Robertson, Minal Karadia and Lucy Rodgers on making the shortlist. All of you were very strong candidates and they will all have senior roles on the Senior Student Team. However, next year's heads and deputies will be:

Head Girl - Laura Clark, A levels in Product Design, Sociology, Philosophy and Ethics

Head Boy - Jordan Dutt, A levels in English Literature, Biology and Theatre Studies

Deputy Head Girl – Jade Bolt, A levels in Chemistry, Biology and Geography

Deputy Head Boy – Jack Hare, A levels in Sociology, Economics and History

Well done and I look forward to working with the new team – good luck!

Warm regards

Martyn Henson

Sports faculty update for the Easter term

It was a very successful term for our sporting teams. All the football teams performed very well in the district cups achieving the following results –

Year 7 won 4 out of 5 games and then played in the district final against Greneway School on Monday 27 March and won the game 3-1 with Thomas Lavel- Davies scoring three goals. They also won the district five aside tournament which is excellent.

Year 8 won 5 games and lost one and came second in the league on points difference. They played JHN in the district final on Tuesday 28 March at St. Christopher School against John Henry Newman School. In the county cup the year 8's achieved getting to the quarter finals but were knocked out by Tring School.

Year 9 – came fourth in the district league winning three games and losing two

Year 10 – year 10 came fourth winning two games and losing two.

The Senior boys pictured below won the district five side tournament.

The boys are from left to right – Karl Osborne, Michael Fafore, Kit Brown, Evan Rwezaura, Fikayo Ifarajimi, Ayoola Abe, Luke Taylor

Cricket

I am pleased to inform you that the U15 girls cricket team won the LadyTaverners Indoor festival at Hertfordshire University.

They beat Hockerill School in the first game, lost to Tring then beat Beaumont. These results put us through to the final to meet Tring again. The students played an outstanding final to win on the last bowl by one point. – Well done girls

The girls are from left to right –Vanessa Wright, Alyssa Butterfield, Ella Smith, Holly Grace, Megan Wood, Niamh Bailey, Pheobe Maidment, Eloise Males and Adara Bailey.

Basketball Teams 2017

This year the basketball teams have performed very well with all teams competing

Sixth form enrichment

As part of the Sixth Form enrichment programme at Nobel all Year 12 students complete a volunteering passport which documents the additional activities they have taken part in over the year. Students volunteer for a wide range of school and local community roles and one of the opportunities available to them this year was to become a Reading Leader, working with younger students to encourage an interest and enthusiasm for reading and increase their confidence when reading out loud. One of the groups of Reading Leaders has been working with Year 4 students from Lodge Farm Primary School who have been coming into Nobel once a week for 8 weeks.

The feedback from leaders and students has been extremely positive and we hope to run a similar programme again in the future.

Lodge Farm students said:

"The students helped me a lot with my reading and made it good fun."

"After doing some reading we played word games."

"I really enjoyed reading my book to my helper and they helped me when I got stuck on tricky words."

"Thank you for helping us this year and we hope you do it again next year because we think other children will like to have a turn."

A 6th form Reading Leader said:

"I thought that the Lodge Farm Reading Leaders was an amazing experience and opportunity to support and help someone who is much younger than me. It was great to work and reach out to others in the community instead of just in the main school."

Bring a friend offer 2017

£25 CASH REWARD

For any Student who brings along a friend or family member who goes on to grading!

Year 10 news...

With two terms now complete and the third and final one underway, there is a real understanding that in 12 months time, it will be our turn. It seems incredible just how fast the time is passing and how far we have come as a year group.

As a school we are striving to provide the best resources, opportunities and facilities for every year group. In addition to 'Show my Homework' we have now launched 'GCSEpod' to year 10. This award winning facility delivers audio sessions on a huge variety of subjects and is a brilliant resource we should all be encouraging students to use. Parents can find links to this on our website homepage.

Parents' evening has taken place and was a resounding success, many thanks as always to our community of parents for engaging and showing such enthusiasm for supporting your son/daughter. If you were unable to attend in person, I urge you to email the teachers and ask for some feedback.

Can I also draw your attention to an after school presentation being launched by our English Faculty leader Mrs Phillips on 'helping your son/daughter to revise'? It will be an essential opportunity for any parent who wishes to pick up hints, tips or strategies that will help to give our students the edge in preparation.

In our ever growing list of accolades as a year group we have been successful in the county level 3 rowing championship beating the competition by some 5 seconds. In fact we were representing Stevenage for the county, even better! Also since my last entry the school pantomime, 'Cinderella' was performed by the cast of our year 10 drama students. Good natured fun was had by all, perhaps not the cast who performed three times back-to-back. Well done to all concerned.

We have collated and shared a second data drop with parents via our online portal, if you're struggling to log in to this facility please contact

lynn.way@nobel.herts.sch.uk for support. Alternatively please always contact Lucy Thorp or myself.

Our GCSE year 10 exams will be taking place in June and will provide essential data for us to track if our students are on target to reach their potential. Please ensure that you're supporting your son/daughter to revise and that they take this exam series very seriously.

In closing we have another 'Nobel Celebrates Success' breakfast on the horizon and it contains lots of new faces and some who consistently show the right attitude towards their learning and progress. I look forward to celebrating with you over a bacon roll, dates to follow in due course.

Warmest regards

Mr Swendell

Head of Year 10

FONS barn dance

Order your tickets now!

Well over 50% of the tickets for next month's Barn Dance have already been sold, so if you want to come to the Friends of Nobel School's fund-raising event on Saturday 20 May, get your tickets soon!

The evening costs just £10 and includes a BBQ supper, with a cash bar available on the night. Numbers are limited to ensure that there is room for everyone to dance, and the deadline for receipt of booking forms is Monday 15 May. A booking form is included later in this newsletter. We hope to see you there!

University Challenge 2017

Congratulations to the quiz team from 12 JMT, Haarith Aubad, Matthew Bucktrout, Daniel Lambert and Matthew Wan who won the Sixth Form University Challenge. The annual final was between year 12 and 13 culminating with 12 JMT and 13 BLK. This is now the second year running that Mrs Mordaunt has had her team win the University Challenge, which reflects students passion for the competitive weekly quiz that takes place in her form times. It was a very close contest with some taxing questions to stretch the students' general knowledge and team work. Well done to both teams for an exciting final! James Marshall and Mr Lovelock's form came very close as at many times the teams were trying to edge above each other.

This year, all of the form teams were highly competitive in the earlier rounds that built towards the final on Monday 24 April. The school hall was full to the brim with year 12 and 13 students excitedly supporting their year's winning team from the earlier heats. As one of the final whole Sixth Form events there was a great atmosphere and buzz in the hall. After each question the tension of the event began to grow and by the time it got to the half way mark the teams were one or two points apart in a very close competition. In the end year 12 won by answering a series of baffling questions about maths, ancient history and pop culture.

All in all both teams performed excellently and it made the entire event enjoyable for the audience. Many thanks go to Mr Ron Freeman, who has continued to support the event since its inception by guiding the Senior Student Team in preparing questions for all the rounds. Students presented Mr Freeman

with some gifts as a collective token of their appreciation from all of the Sixth Form and have now renamed the event as the Ron Freeman University Challenge. Many thanks to Ms Cox as an effective question master, Mrs Saville, Mrs Bright and the SST for coordinating another enjoyable student event.

With Mr Sehejpal having one of his forms winning the final, Mrs Saville will be looking to her new year group in September to break the pattern that seems to be forming. If only 13 BLK had known what the highest grossing film was of 2016, but I guess not everyone is a Star Wars fan. Maybe next year the force will be with them.

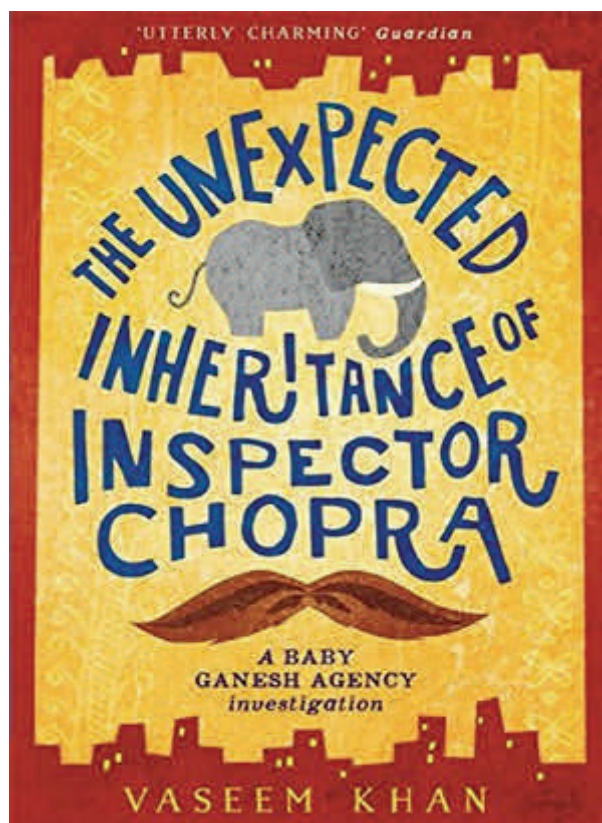

Mr Sehejpal

Head of year 12

Community book group

NOBEL SCHOOL PARENTS,
STAFF and COMMUNITY BOOK
GROUP

Read all or part of the book and
come and discuss it in a friendly
informal group

SST book collection

The SST are currently collecting books to benefit local hospitals such as Lister and Addenbrookes. We would like to donate as many of these to the children's wards as possible, and if we cannot donate certain books, we hope to sell them to raise money for the hospitals or donate elsewhere.

We would be very grateful for donations of any books, especially children's books. We will collect any other type of book too, from old revision books to cooking books and more.

If you have donations, please take them to the librarians or to Ms Magill's form room (CO14) where we will collect them. Please bring them as soon as you can, we will stop collecting at the May half term.

Week beginning 8 May

N is for... **notion** Noun

1. a conception of or belief about something.

"children have different **notions** about the roles of their parents"

2. an impulse or desire, especially one of a whimsical kind.

"she had a **notion** to ring her friend at work"

Instructions

Place 1 - 9 once in each row

Place 1 - 9 once in each column

Place 1 - 9 once in each 3x3 box

Complete the 'sum cages' such that the total of the numbers in each cage is the number stated at the start of that cage

You are not allowed to repeat any numbers within any sum cage

Solution page 14

Logic puzzle

In the small country of Zog, each person owns one and only one car. Every car's license plate is different and each one contains only one letter and one one-digit number including zero. How many people live in the land of Zog, assuming every license plate is used?

Solution page 14

The Nobel School
Mobbsbury Way, Stevenage, Herts, SG2 0HS
Telephone: 01438 222600 Fax: 01438 222606
<http://thenobelschool.org>

Required as soon as possible

Lettings Duty Officer – Bank Staff

Variable hours contract

Salary: H1.2 (£7.89 per hour) rising to £15 per hour for some specific duties

We are looking for a Duty Officer for our Lettings Department who would be prepared to cover weekend and evening shifts on a regular and rota basis. There will also be overtime available to cover staff absence.

You should be a talented administrator with some ICT skills, a passion for sport/fitness and ideally a Level 3 Fitness or coaching qualification. Applicants with a Level 2 qualification that aspire to gain their Level 3 may apply - a contribution towards their Level 3 qualification may be considered for the right applicant. Once qualified to Level 3, the successful candidate will be expected to undertake inductions or group training with existing customers at a higher rate of pay.

If you would like to visit Nobel or have any queries about this post please contact Debbie Clark (Debbie.Clark@nobel.herts.sch.uk).

Please complete our application form overleaf. All applications should be made through the relevant recruitment website, or may be sent electronically to HR@nobel.herts.sch.uk. Prospective candidates are encouraged to submit their applications as soon as possible as the school reserves the right to close the advert should we feel able to appoint an appropriate candidate.

The Nobel School is committed to safeguarding the welfare of all of its students and staff. The successful candidate will have to meet the requirements of the person specification in order to be offered the post and will be subject to satisfactory recruitment checks, including an enhanced DBS check and satisfactory references. We welcome applications from all suitably qualified individuals regardless of age, gender, ethnicity or religion.

Please note that we do not accept CVs in place of application forms.

Interview date(s) to be arranged.

WALKING ON SUNSHINE

*A spectacular show from dance,
drama and music students.*

Thursday 18 May

Leslie Rose auditorium at 7pm

*Tickets available from the performance faculty
office. £3 adults. £2 children*

TERM DATES 2017-2018

Autumn Term 2017

Monday 4 September to Tuesday 19 December

Autumn Half Term: Monday 23 October to Friday 27 October

Christmas Break: Wednesday 20 December to Tuesday 2 January

Spring Term 2018

Wednesday 3 January to Friday 23 March

Spring Half Term: Monday 12 February to Friday 16 February

Easter Break: Friday 23 March to Friday 6 April

Summer Term 2018

Monday 9 April to Friday 27 July

Summer Half Term: Monday 28 May to Friday 1 June

May Bank Holiday: Monday 7 May

INSET DAYS AND ADDITIONAL SPECIAL DATES

INSET day (staggered start for years 7 and 12 on 5 September and whole school begins timetabled lessons on 6 September)	4 September 2017
INSET day	13 September 2017
Occasional days	3, 4 and 5 January 2018
INSET day	Mid-January 2018
INSET day	23 July 2018 (devolved)
INSET day	24 July 2018 (devolved)
Occasional days	25, 26 and 27 July 2018

There is variation across the county with regard to term dates next year. We are not the only school to have fixed the Easter holidays with Easter in the middle in order to avoid losing an additional Monday to a bank holiday. The Term Dates Working Party at County have given schools additional flexibility for 2017-18 by giving us effectively 5 more occasional days than normal and 5 days less fixed holiday and this has led to changes at an individual school level. The following extract from the county document explains this:
In order to give some flexibility to community and voluntary controlled schools while retaining a calendar with a common core of holiday dates, the Term Dates Working Party has determined that the 2017/18 calendar includes a further

five occasional days, over and above the existing one occasional day.

These occasional days would be used as holidays with their timing at the discretion of the Governing Body of the individual school. However, the key core dates around Christmas, Easter and the three half terms would be standard – though these could be lengthened by use of occasional days if schools wished. The additional 5 occasional days could also be added to the start and end of the calendar. The academic year has been started earlier and ends later than usual, in order to create 5 extra occasional days for a school to add back into the calendar.

Dates for the diary:

- 1 May - Bank holiday
- 3 May - FONS meeting
- 3 May - Headteacher's parent surgery 4 - 5pm
- 6 & 7 May - Duke of Edinburgh Award
- 10 & 11 May - Year 7 visit to local mosque
- 10 May - Year 10 visit to Airbus Stevenage
- 13 & 14 May - Duke of Edinburgh Award

Logic puzzle

520

26 (letters of the alphabet) X 10
(1-digit numbers 0-9) = 260

That's only if each letter is before
the number, but since it can be
after, you have to double that.

$260 \times 2 = 520$

EXAM SUCCESS

PARENT'S GUIDE

SUPPORTING YOUR CHILD THROUGH GCSES

GCSEPod offers GCSE students hundreds of mini online lessons, in the form of short videos called "Pods". These Pods are just 3-5 minutes long and perfect for understanding and revising key topic areas. **Encourage your child to use GCSEPod to support their learning.**

“ The highest achieving students each watched on average **102 PODS** so there is a clear correlation between GCSEPod and results. ”
Principal

73%
of videos are watched out of school

“ It's the best thing you can have to revise and make sure you are ready for the exam. ”
Student

WATCH 10 PODS PER WEEK
During exam time aim to watch 3 Pods per day

“ I cannot emphasise enough how important it is that GCSEPod be used all year round, not just for revision, for maximum impact. ”
Parent

CREATE A PLAYLIST
Identify the areas which are most challenging and create a playlist to focus learning.

“ Our top users exceeded their target grades in many areas. ”
Principal

20 MINUTES
Little and often is best, so try to keep sessions around 20 minutes to get the best results.

“ GCSEPod played an important role in helping me achieve A*. I would definitely recommend it. ”
Student
