

4 January 2021

Dear parents and carers

Happy New Year and let's hope that it is much better than the last one.

Staff are back in school today preparing for the new term. As you will have heard in the news, there has been much toing and froing from the government about what should happen in school this term. Our intentions are still to open for year 11 and year 13 on the 11th of January, and for the whole school to open again on the 18th. If this changes for any reason, we will communicate with you straight away.

In the meantime, remote learning - including live teaching - will be available for year 11 and 13 from tomorrow (5th January) and remote learning - with some live teaching - will be available for years 12, 10, 9, 8 and 7 from Thursday 8th January.

As things develop, and if there are any changes, we will communicate with you straight away.

Thank you for your continued support and cooperation during this difficult time for everyone.

Yours faithfully
