

What will I draw?

Each double page will have a theme (We will give you a few every week to explore) These should take you through the whole of the summer. It should be completed ready to bring back into school in September. You can draw from direct observation, use your own photos or find images on the internet as inspiration. The next slide shows the themes for your artwork this week.

You can also collage things into your journal and draw on top of them
