

CREATIVE WRITING CHALLENGE

Your first homework assignment at Nobel is to write a detailed description of your very own dragon.

You will be expected to hand in these pages to your English teacher during your first English lesson at Nobel!

You could write about:

- *What your dragon looks like*
- *Your dragon's special abilities (hunting, flying, fire-breathing)*
- *Your dragon's natural habitat and diet*

Use this space to draw a picture of your dragon and to label its unique features
