

Being a Nobelian

Task 1: RRS & Always Learning

Create a mind map (spider diagram) around our school values and ethos of being 'Ready, Respectful and safe' and that we are 'Always Learning'.

To help you please consider the following:

- What does this mean to you?
- How will you personally try to achieve it?
- What characteristics should a 'Nobelian' exude?
- How do students demonstrate these values?

Information on the school website will help you with this:

<https://thenobelschool.org/about-the-school/values-ethos-full/>

Task 2: Being a Nobelian

When you join Nobel school you will be a member of a House: Mandela, Curie, Teresa, or Eliot.

Your houses are named after Nobel Prize winners.

We want you to research your house prize winner (you will know which house you are on Transition Day) and find out:

- Who they are?
- What are their achievements?
- What did they do to 'elevate' themselves beyond their peers
this can be presented as a presentation?

Task 3: 'About me'

At Nobel we award ABC points (Achieve, Behaviour and Character) and therefore we want you to consider how you can get as many of these as possible.

What are your best attributes and parts of your character that you would like to celebrate?
We want to get to know you and who you are.

For this task we wish you to create a poster which summarises everything you would like us to know about you. For example, in one side of A4 i.e., what are your, family, pets, hobbies, favourite food/music etc.

Make them colourful, positive, and exciting. This can be hand drawn, completed on a computer, painted etc.

The more creative the better.
