Yr12 Work Experience –  
Information and  
Permissions Pack.

**Raising Aspirations** Raising Achievement

Dear Parent/Carer

In reference to the Year 12 Work Experience week from 1st -5<sup>th</sup> July 2024 , I would like to ask for your assistance in supporting your son/daughter with finding a placement.

**Enclosed are a number of key documents:**

1. A letter to employers (Form A)
2. A Work Experience check list (Form B) to help you keep track of the process!
3. Placement Agreement Form (Form C) to be completed by yourselves and the employer
4. A template letter to contact employers (Form D)

Please complete and return the enclosed Placement agreement form (Form C) to your child's form tutor by **Friday 19<sup>th</sup> April 2024**

Competition for placements this week are likely to be in huge demand. We are urging students to make contact and agree arrangements with an employer in plenty of time so that they are not disappointed, but also have relatively free choice of where they would like to attend.

Using a family member or a friend of the family to help you secure this work experience has always been an important feature of this event but even more so this year. They will know you and your family and be able to reassure their manager that your child is a responsible student.

Some students occasionally cite a barrier to organizing WEX because some professions are unable to support work placements due to the nature of their business. For example, doctors, barristers, forensic scientists, Police, and some factories. If this is the case, they should actively seek WEX in other workplaces- the transferable skills (competencies) learned and practiced can be discussed at job, college, university, and apprenticeship interviews and will give them the chance to explain how these lessons can be applied to their future career/course.

Please contact me if you have any questions.

Yours sincerely

Jemma Savo  
Assistant Careers Coordinator at Nobel School

Dear Sir/Madam,

This letter has been passed to you by an employee who would like to offer one of our Year 12 (aged 16-17) students the opportunity to complete a week's work experience between 1<sup>st</sup>-5<sup>th</sup> of July 2024 at your company. This obviously needs your approval and will require some level of planning. I would like to provide you with a little information about what it is and why we do it in order for you to reach a decision.

Quality work experience placements make an invaluable contribution to ensuring that students have a broad and balanced curriculum and moves students learning from the classroom into the world of work. It also provides and understanding of the expectations made of an employee, and their responsibilities whilst at work.

The student will:

- not require payment
- be a visitor for the week and be covered by your Public and Employers' Liability Insurance

Through work experience, our aim is for students to:

- appreciate what is involved in a week of work
- carry out straightforward and safe tasks under supervision
- form an appreciation of the different vocational areas within the world of work
- understand the needs of different businesses/organisations
- recognise how work in the classroom relates to developing skills for their future employment

Your involvement will enable work-related learning for this student to be both practical and relevant to the future demands of life at work and home. A close relationship with education can be a sound investment. Today's young people will shape your future in many ways – as employees, as customers/consumers and as citizens.

Your staff who participate in the work experience, such as by training or buddying up with them, develop a wide range of skills. For example, employees may improve their teaching and communications skills and may find more effective methods of working.

Work experience students can also bring a new range of insights with them to your business which may help your existing employees. You will also improve the students' knowledge and skills and provide them a real view of your industry or your company.

I do hope that you will be able to support us. Should you require any points clarified, please contact me directly. I look forward to your support with this work experience opportunity.

Yours sincerely

Jemma Savo
