

Summer Task year 11-12

OCR Level 3 Alternative Academic Qualification Cambridge Advanced National in Health and Social Care (Extended Certificate)

For this qualification, students must complete six units:

- Two mandatory externally assessed units (Exam)
- Two mandatory NEA units (coursework)
- Two optional NEA units (coursework)

1. There are a number of ways that an individual can be diverse.

TASK: Research and write about how someone can be diverse and what that means. For example, Age, culture, religion and belief.

2. Professional relationships are paramount to the delivery of safe and effective care and support and an understanding of these relationships, and how they are formed, is essential if you are considering pursuing a career in the health and social care sector
TASK: Discover how many different professionals in a health and social care

You should: ▀ List the professionals ▀ Briefly describe each job e.g. a phlebotomist is a professional who... ▀ Explain the link between the GP and the professional e.g. A GP would work with a phlebotomist when...

3. TASK Watch the 2 videos and links

[How 40 Seconds of Compassion Could Save a Life | Stephen Trzeciak | TEDxPenn](#)

[.The 6Cs - at the heart of our community nursing](#)

[NHS Staffing Pool Hub - Working in Healthcare - The 6 Cs of care | NHS Professionals](#)

4. TASK Students write a short reflection or blog on what compassion and the 6 Cs are and what it means to them in a healthcare setting

5. What does person-centred care mean to me? Use the following information to create a large paragraph on what person-centred care means

[Personalised and person-centred care - SCIE](#)

6. Watch the videos about care and mental health
